AGILE NETWORK INDIA

A leading thought leadership community

Agile Network India - About Us

Vision: "**To bring the best content (information, knowledge, skills) to the community**" through collaboration with expert professionals.

Mission: "**To be the most resourceful learning platform in the world**"

Agile Network India is founded by Priyank DK Pathak, and is open for everyone interested in connecting, learning and sharing new ideas, point of views, and proven concepts.

Agile Network India - Sponsor

Jile, a product offering from Tata Consultancy Services Ltd., is a purely cloud-based Enterprise Agile planning tool along with DevOps capabilities. Enterprises can use Jile to adopt agile practices or scale across multiple Scrum and Kanban teams using enterprise scaling frameworks such as SAFe, Disciplined Agile, LeSS, and more.

You can try out Jile for free for up to 20 users for 30 day by signing up at jile.io or reach out to us for any inquiries or exclusive product demo. Check out the Jile page on Agile Network India website for more information.
